Christmas in Pembroke 2023

The annual Christmas Festival/Parade has come and gone! Last month vendors from near and far came to our little town to showcase all their creative talents and delicious foods! From tumblers to tacos, the festival was bustling with extremely innovative booths that we hope to see again next year.

And of course, as night fell, we were treated to so many well put together floats in the parade. It was a COMPLETE success and we're already excited to see what next year brings! A big 'thank you' to all of those that participated and of course those that made the festivities go off without a hitch!

Finally, a VERY special thank you to our Grand Marshal, Counselman Johnnie Miller!

Congratulation Are in Order!

Congratulations to Raul Secundino! On December 9th, Officer Secundino graduated from the Police Academy after several weeks of training. We here at the City of Pembroke are very happy to know that we've gained another dedicated officer to serve and protect Pembroke.

An Increase in Fees

A new year brings new changes! Beginning this month, the rates for water/sewer taps will increase by 5%. Next month, rates for water/sewer utilities will also be increasing by 5%.

The community center renovations are finally complete after the damage it suffered during the tornado back in April. As of December 1st, 2022, it is officially ready for all your rental needs! The user fee is now \$250 with a \$75 fee for renting new AV equipment.
