

Volunteers

If you'd like to support the restoration of the TOS Theater on W. Bacon Street, volunteers are needed to scrap the existing exterior wood and repaint in the same color on March 11 and March 25, from 9 a.m. to 1 p.m., with April 1 as a rain date. In addition, some general cleanup of the interior will be done.

An open house of the theater is scheduled for late April, with more information on that to come. For more information and to volunteer contact Steve Scholar at 912-653-4413.
