Back to School!

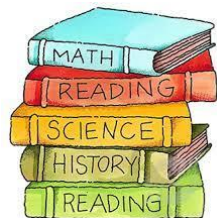

"Education is the most powerful weapon you can use to change the world."

National Night Out!

National night out was a huge success. Tons of families came out and enjoyed time with their friends and neighbors. A special thank you to the Downtown Development Authority, Pembroke Police Department, Bryan County Family Connections, United Way of the Coastal Empire, Bryan County Sheriffs Office, Pembroke Public Works, and the Pembroke Fire Department! These departments and organizations did an amazing job at making sure families not only enjoyed themselves but received the necessary supplies to be prepared for the upcoming school year.

Summer Fire Camp was packed to the max! Just like last year, we had wonderful kids and are already looking forward to next year!

The kids enjoyed many activities during the week, and one of their favorites was fishing! They also had a fun pool day, and even got a tour of City Hall and the Police Department!

Back to school!

As our students head back to school, please drive safely and slow down in school zones. Be mindful of the students that walk to and from school every day. The Pembroke Police Department will be strictly enforcing traffic laws for the upcoming school year.
