Blast from the Past!

Come take a walk through the past as Pembroke opens the doors to the TOS Theatre! On April 14, the Friends of the TOS Theatre will be hosting an event from 5 to 8 p.m. Currently under restoration, the theatre, opened in 1939, will bring back memories of when Roy Rogers and King Kong ruled the airwaves.

Make it a nostalgic night for the entire family as a variety of food trucks will offer their culinary delights, along with entertainment provided by the Bryan County High School Jazz Band. There will be a bouncy house to entertain the younger ones and it promises to be a fun night for all.

The theater restoration committee will be on hand to answer questions and accept donations along with other financial opportunities to contribute to refurbishing the theater to its former glory.

This is a chance to relive your Saturday afternoon memories!

An Informative Visit

Our very own Mayor Judy Cook stopped by Bryan County Elementary last month to speak to the classes of Mrs. Trombly and Mrs. Gay. The mayor gave the youngsters some insight on the ins and outs of government and her job as mayor. The students had fantastic questions and were very interested in government.

A Warm Welcome!

“The City Council has multiple projects and priorities that it wants to see progress, and I am eager to get started. The past several city council meetings have allowed me to get to know the council and experience their excitement for Pembroke’s future. Their enthusiasm sold me on the position.
