

CITY OF PEMBROKE
REQUEST FOR GENERAL BUILDING CONTRACTORS

The City of Pembroke is pre-qualifying licensed general contractors for the CHIP housing improvements program. Seven (7) residences will be built, and we anticipate releasing bid documents in October 2024.

This program is funded by the Department of Housing and Urban Development (HUD) via the Georgia Department of Community Affairs (DCA) and will be subject to all federal program requirements.

Interested general contractors must submit a CHIP Contractor Application form for consideration. Application forms will be accepted on an on-going basis until the city releases the bid documents. Only contractors that have completed the application form will receive bid packages.

A CHIP Contractor Application form can be obtained from Mr. Chris Benson, City Manager. Mr. Benson can be reached by phone at 912-653-4490 or via email to administrator@pembrokega.net.

MBE/WBE contractors are encouraged to pre-qualify and participate in the bid process.

The City of Pembroke is committed to providing all persons with equal access to its services, programs, activities, education and employment regardless of race, color, national origin, religion, sex, familial status, disability, or age.
