January 2019 Issue

Happy New Year!

"The work of today is the history of tomorrow, and we are its makers."— **Juliette Gordon Low**

Talking Trash

Beginning on January 1st, 2019, the City will have a new trash pick-up provider. AllGreen Services began delivering the new cans in December. Wednesday, December 26th was the last date of service for our current provider Republic Services, and those cans are being removed.

The new pick-up schedule will be:

West of Main Street (Hwy 67N/Hwy 119S) will be picked up on Mondays;

East of Main Street will be picked up on Fridays.

Please join me in welcoming Mr. Sam Sullivan and AllGreen Services to the Pembroke family.

We'd like to extend a special "Thank You" to everyone who braved the wet weather and came out to enjoy our Christmas Festival and Parade! We had a great number of vendors, entertainers, parade entries and participants.

Visit the Downtown Development Authority on Facebook to see pictures and video. We hope to see you all next year!

STATE OF THE CITY LUNCHEON

The North Bryan Chamber of Commerce will kick off their 2019 season with the Mayor's Annual State of the City Address. This is a chance for our citizens to reflect on how far we've come in 2018 and our plans for the coming year. Please

come be a part of this tradition on Thursday, January 17th at 11:30AM, upstairs at Higgins Place.

He can address these questions and more. In the meantime, exercise caution around standing water and keep an eye on the pipes, culverts and canals in your area and inform us of any concerns.
