Would you like to honor a service member? How about adopting a service member's flag?

The **American Legion Flag Committee** is offering the opportunity to purchase a flag in order to honor a service member. The fee for a new service member cross and flag is \$100 for the first year, then \$10.00 for each year after. The \$10.00 covers any maintenance for the cross, metal pole, and/or flag due to natural disasters and weather. Your flag will be replaced every five years, even if it isn't damaged.

If you don't have a service member to honor, there's also an option to adopt an abandoned flag. For just \$10.00 per year, you will help honor a service member who was willing to risk their life to defend our nation.

For more information, please email the **American Legion Flag Committee** at al164flagcommittee@gmail.com

Fire Department Fundraiser

The Pembroke Fire Department is hosting an Equipment Fundraiser with the chance to win a Winchester-SXP 12Ga Pump Shotgun. The drawing for the prize will take place on August 30th, 2022, at 7:30 pm. A member of the Fire Department will go live from the Pembroke Fire Department Facebook page to announce the winner.

Opportunity Exists in North Bryan

Savannah Technical College's Fast Track Manufacturing 4-Week course is starting in July 2022 at the Lanier Learning Center. The Fast Track course includes virtual reality training and facility tours to see firsthand what a day-in-the-life of a manufacturer is all about.

Notice of Hydrant-Flushing

The City of Pembroke takes great pride in providing safe drinking water for its citizens and visitors. We have been working diligently to address instances of discolored and murky water. Our next step is a city-wide hydrant flush throughout the month of March to remove sediments and clear up discoloration.

During the flushing process, things typically get a little worse before they get a lot better.

If you experience discoloration or sediment in your water, do not be alarmed as it will clear after a minute or two of running. We suggest you run the cold water from the faucet (or better yet outdoor spigot) closest to the meter. On days when your block or neighborhood is flushing, do not wash white or light-colored clothes.

Please know that your water is safe for all intended purposes and slightly higher amounts of chlorine are added during this time.

We also use this opportunity to evaluate and inspect each hydrant to ensure operation in the event of a fire so you will see fire crews moving with the water department.

Have questions about this procedure? Please call City Hall at (912)653-4413 between the hours of 8:30am and 5:00pm.

Thank you for your cooperation!
