**Solid Waste**

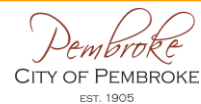

Last month there were changes made to solid waste handling within the city. All trash cans must belong to 'Allgreen' services for trash to be picked up. If you do not have a trash can from Allgreen, please call City Hall and request one.

Additionally, if you place your cans at the curb the day prior to pick up they aren't to be put out before 5pm on that day. They must also be pulled back from the curb by 8am the following day.

Finally, garbage rates for both residential and commercial will be increasing. Residential will increase from \$13/month to \$15.50 and Commercial will increase from \$16/month to \$18.

**The city will begin issuing warnings to residents that aren't following the proper protocol. Please note there will only be one warning! Afterwards, code enforcement will issue citations to those in violation of the solid waste ordinance.**
