United States Census 2020

What if I told you it only takes 5 minutes every 10 years to ensure that your community got their fair share? Would you believe me? Would you make time?

The 2020 Census, whether completed online or by paper, is the easiest representation you will ever receive! By answering a few simple questions, you help ensure that our community receives funding for schools, roads, housing, medical needs, water-sewer infrastructure and many other essentials. Let 2020 be the year you made a difference and make sure you are counted!

Go to <https://2020census.gov>, search your address and tell who lived at your home on April 1, 2020.

If you'd like to complete it over the telephone, please call [844-330-2020](tel:844-330-2020).
